# About the Company

CSV Pharmaceuticals India Pvt Ltd is an emerging Leading Manufacturer and exporter of Herbal Extracts and pure essential oils in India. We offer a broad range of Herbal Extracts and essential oils derived from natural herbs and plants that help us keep their quality, effectiveness, and purity intact in all conditions. Our manufacturing unit has advanced resources to handle the processing with extreme care and attention, to meet quality standards without compromise.

We are in the business of creating quality ingredients and formulations from natural sources, that are used in Food, Pharmaceuticals, Nutraceutical, and Cosmetics. Our ingredients and formulations are found in a variety of products retailing across worldwide.

# About the Company

At CSV Pharmaceuticals, purity isn't just a promise — it's who we are.

Our name, 'CSV,' stands for Trust, Nature, and Excellence — values we breathe into every drop we create.

Each colour in our logo tells our story:

- Blue — Reflects our deep-rooted trust and professionalism.
- White—Symbolises the purity and cleanliness in every product.
- Light Green — Represents nature, freshness, and vitality.
- Dark Green — Reflects our stability and unwavering commitment to 100% natural products.

Starting with pure mint oils, our journey has grown into a wide range of essential oils and carrier oils, each crafted with precision and care.

To protect the true soul of nature, we have built state-of-the-art facilities equipped with advanced distillation units, modern filtration systems, and strict testing processes.

With the perfect blend of skill, science, and spirit, we bring you oils that embody the real strength of nature, inspiring the world to move away from synthetic and embrace the purity of the earth.

CSV Pharmaceuticals — Where Nature's Purity Meets Human Trust.

# Vision & Mission

## Vision

To position CSV Pharmaceuticals in the world market as a provider of complete solutions for healthy living in an environment of trust based on harnessing the rich natural resources using scientific knowledge. To be a leader in supplying and exporter of a diverse array of Herbal extracts, Essential oils, oleoresins and herbal butters to set and exceed the standards of quality products so as to benefit the society by large.

[www.csvpharmaceuticals.com](http://www.csvpharmaceuticals.com)

## Mission

The mission of CSV Pharmaceuticals is to provide the highest quality of products to our customers. We pride ourselves in keeping our products chemical-free and also offering the option of customization to meet the client's requirement and also keeping close to the needs of the market in an ever-changing environment to ensure growth and sustainability.

# Content of Products :

## Essentials Oils:

Essential oil is a concentrated natural oil extracted from plants, capturing their fragrance and therapeutic properties for use in aromatherapy, skincare, and wellness

## Carrier Oil:

A carrier oil is a mild plant-based oil used to dilute essential oils for safe skin application. Examples include coconut, jojoba, and almond oil.

## Herbal Butters:

Herbal butter is butter infused with herbs, offering both flavor and therapeutic benefits. It can be used in cooking or skincare.

# Benefits of Essential Oils

Essential oils offer a wide range of benefits for both physical and mental well-being:
